

United Way of Greater Knoxville Leadership Giving Program

United Way Leaders

United Way Leaders is a recognition program for individuals and households who make personal gifts of \$1,200 or more to United Way.

Donors may contribute through payroll deduction as well as direct payments of cash or stock, and households have the options of combining their related gifts through respective employers to meet one of four giving levels. When a donor makes a minimum gift of \$1,200 per year (or about \$23 per week), he or she becomes a member of this recognition program, and his or her name appears in the annual Leaders Register at the appropriate giving level.
