We are Volunteers. Volunteers give back.

The UT Campus Chest Campaign focuses attention on the health and social service needs of our region and unites efforts in providing assistance to those less fortunate than ourselves. As a member of our university community, you play an important role in this endeavor. Please read this brochure carefully, select your favorite organization(s), and contribute generously!

One Campaign and Three Ways to Give
The UT Campus Chest is a single, comprehensive campaign that saves person-power, materials, and volunteer time. The campaign and the fiscal management of funds collected are administered by the university. No overhead or administrative charge is made on your contribution. This means that your total gift is directed as you designate on your pledge card.

There are three ways to give.
1. Spread your pledge over a one-year period with payroll giving.
2. Set up quarterly or annual billing through the Campus Chest office.
3. Send cash or a check (payable to UT Campus Chest) for the entire sum of your pledge.

The Payroll Giving Plan
Most of us want to do our part to support the many worthwhile causes included in the campaign. However, an adequate cash gift made all at one time can be difficult. Payroll giving enables us to pledge more and take a full year to meet the responsibility. You also have the option of payroll withholding for less than one year. Payments on fall pledges will begin with the November payroll.

Giving Guide
The following guide for suggested giving is included in this leaflet because employees often ask for one, but the decision to give and the amount is up to each employee.

Up to $15,000 .............. One hour's pay/month
$15,000 to $25,000 .... 1 percent of salary
$25,000 to $50,000 ... 1.5 percent of salary
over $50,000 ............. 2 percent of salary
Eligibility of Agencies for Receipt of Designated Gifts
Charitable organizations supported by voluntary contributions from the general public and providing direct and substantial health and welfare services are eligible for participation in the UT Campus Chest campaign. In addition, each charitable agency must meet the following minimum criteria:

1. Organization—Organized as a not-for-profit corporation under the laws of the State of Tennessee
2. Tax Exempt—Recognized by the Internal Revenue Service, under Internal Revenue code 501 (c) (3), and eligible to receive tax-deductible contributions
3. Board of Directors—Directed by an active board of directors whose members serve without compensation
4. Audit—Provides for an annual external audit by an independently certified public accountant
5. Annual Report—The agency must prepare an annual report to the general public that includes a full description of the agency’s activities and accomplishments and the names of chief administrative personnel.
6. Solicitation Permits—The agency must provide evidence that it has an active permit to solicit charitable funds in the city of Knoxville, and if appropriate, an active permit to solicit funds in the State of Tennessee.

Gift Designation
You may designate your gift to the United Way of Greater Knoxville, to the United Way in your own community, to Community Shares, or to any of the member agencies within these organizations. You may also direct your gift to other social service or health agencies (those meeting the criteria noted at the left) by specific designation on your pledge card. In making a contribution to the Campus Chest, you must designate your gift to an agency or agencies.

Agencies receiving contributions from ten or more employees in the 2016-2017 campaign are listed below.
