Every contribution benefits the health and social service needs of our region.

(SEPT. 9–NOV. 1, 2019)

The UT Campus Chest Campaign focuses attention on the health and social service needs of our region and unites efforts in providing assistance to those less fortunate than ourselves. As a member of our university community, you play an important role in this endeavor. Please read this brochure carefully, select your favorite organization(s), and contribute generously!

**One Campaign and Three Ways to Give**

The UT Campus Chest is a single, comprehensive campaign that saves person-power, materials, and volunteer time. The campaign and the fiscal management of funds collected are administered by the university. No overhead or administrative charge is made on your contribution. This means that your total gift is directed as you designate on your pledge card.

There are three ways to give.

1. Spread your pledge over a one-year period with payroll giving.
2. Set up quarterly or annual billing through the Campus Chest office.
3. Send cash or a check (payable to UT Campus Chest) for the entire sum of your pledge.

**The Payroll Giving Plan**

Most of us want to do our part to support the many worthwhile causes included in the campaign. However, an adequate cash gift made all at one time can be difficult. Payroll giving enables us to pledge more and take a full year to meet the responsibility. You also have the option of payroll withholding for less than one year. Payments on fall pledges will begin with the November payroll.

**Giving Guide**

The following guide for suggested giving is included in this leaflet because employees often ask for one, but the decision to give and the amount is up to each employee.

- **Up to $15,000** ........ One hour’s pay/month
- **$15,000 to $25,000** .... 1 percent of salary
- **$25,000 to $50,000** .... 1.5 percent of salary
- **over $50,000** ........ 2 percent of salary
